Dear Jim,

The success of an event like the 1996 Brighton Chamber Annual Awards Dinner Dance is always attributed to the generosity and talent of people like you.

The Commerce of the Seas Crew and Dinner Dance Committee thank you for your help in creating the Caribbean Cruise Night. With your help the Brighton Tomorrow and Tiny Tim Award winners, as well as Doris Longfellow, our Volunteer of the Year, were honored for their outstanding efforts in helping to make Brighton an exceptional place to live and do business.

We appreciate your generous support and continued commitment, and we thank you on behalf of all of the 1996 award winners.

Sincerely,

Joyce Rogers
